

DECEMBER 2017 ENGINEERING WORK ALTERATIONS

Updated 25/11/17

Greater Anglia Operations

Saturday 25th November

The 23:30 London to Norwich service (1P72) shall terminate at Ipswich for onward road transport to Norwich.

Sunday 26th November

The 07:00 Norwich to London (1P13) shall start from Ipswich at booked departure time – road transport supplied from Norwich to connect with train. Also, the 23:30 London to Norwich in the evening will terminate at Ipswich.

Monday 27th to Thursday 30th November

The 23:30 London to Norwich service (1P72) shall terminate at Ipswich for onward road transport to Norwich during the above period.

Sunday 3rd December

The route between Norwich and Ipswich will be closed all day with buses replacing trains. A shuttle service shall operate between Ipswich and Liverpool Street.

Sunday 23rd December to 1st January 2018

Owing to planned engineering work including Crossrail, the route between Ingatstone and Liverpool Street will be shut for 10 days during the above period. Shuttle services shall operate between Norwich and Ingatstone only with connections being provided to and from Newbury Park for LUL services.

The frequency of shuttles shall differ from day to day, but please note no trains run on 25th or 26th December. Please click [here](#) to check individual days including the special timetables during this 10-day closure.

There were no further alterations to report on for the month December 2017 at the time of writing.

Scotrail Sleeper Operations

Sunday 26th November
