

Engineering Work Alterations

February 2022

Updated 23/1/22

FREIGHTLINER

The reported alterations below focus on corridors which are operated by class 90s for Freightliner.

General alterations:

This month looks set to be a quiet one for service alterations.

GEML / East Anglia:

There were no planned closures of the route for February affected by engineering work. This was the state of play at the time of going to press.

WCML / Scotland / Midlands / NW England:

There were no planned closures of the route for February affected by engineering work. This was the state of play at the time of going to press.

DB CARGO

No alterations to report on at the time of writing.
