

The intermodals listed below are the planned trains which are expected to be hauled by a Freightliner class 90. Please note that on the odd occasion, any of the listed trains could be worked by other traction types. Additionally, class 90s could also work other intermodals not listed below as required if the booked locomotive is not available.

#### **Core Northbound Intermodals:**

| Headcode | Departure Time | Origin         | Destination   | Day of operation | Comment                      |
|----------|----------------|----------------|---------------|------------------|------------------------------|
| 4S88     | 14:45          | Felixstowe     | Coatbridge    | M-F              | Class 90 attached at Ipswich |
| 4S83     | 17:45          | London Gateway | Coatbridge    | M-F              | Class 90 attached at Crewe   |
| 4S50     | 03:52          | Basford Hall   | Coatbridge    | M-S              | Monday operates as required  |
| 4M45     | 02:50          | Felixstowe     | Garston       | T-S              | Runs as required each week   |
| 4M87     | 11:13          | Felixstowe     | Trafford Park | M-F              | Class 90 attached at Ipswich |
| 4M63     | 09:32          | Felixstowe     | Ditton FLT    | M-F              | Class 90 attached at Ipswich |
| 4M89     | 16:13          | Felixstowe     | Ditton FLT    | M-F              | Class 90 attached at Ipswich |

At the time of writing, there were no booked trains to be class 90s from Ipswich towards Crewe and beyond other than 4M45 on Saturdays.

#### **Miscellaneous Northbound Intermodals:**

The list of trains shown below are sometimes hauled by a Freightliner class 90, therefore should be used as a guide (more often than not they are diesel hauled). In addition, there are also light engine movements using 90s, which have NOT been listed

| Headcode | Departure Time | Origin       | Destination  | Day of operation | Comment                          |
|----------|----------------|--------------|--------------|------------------|----------------------------------|
| 4S59     | 06:03          | Basford Hall | Coatbridge   | MO               | Runs as required (Q path)        |
| 4xxx     | 09:46          | Felixstowe   | Basford Hall | SO               | Occasionally class 90 ex Ipswich |
| 4xxx     | 14:12          | Felixstowe   | Basford Hall | SO               | Occasionally class 90 ex Ipswich |

#### **Core Southbound Intermodals:**

| Headcode | Departure Time | Origin        | Destination    | Day of operation | Comment  |
|----------|----------------|---------------|----------------|------------------|--|
| 4M11     | 18:14          | Coatbridge    | Basford Hall   | M-F              | -  |
| 4M80     | 16:33          | Coatbridge    | Basford Hall   | M-F              | Runs as 4L89 beyond Crewe                        |
| 4M83     | 09:33          | Coatbridge    | Basford Hall   | SO               | Runs as required                                 |
| 4L81     | 19:36          | Coatbridge    | London Gateway | M-F              | Class 90 detached at Crewe                       |
| 4L82     | 23:02          | Basford Hall  | Felixstowe     | M-F              | Class 90 detached at Ipswich                     |
| 4L60     | 19:46          | Garston       | Felixstowe     | M-F              | Runs as required / 90 off Ipswich                |
| 4L89     | 04:10          | Basford Hall  | Felixstowe     | M-S              | Class 90 detached at Ipswich                     |
| 4L91     | 02:10          | Trafford Park | Felixstowe     | T-S              | Class 90 detached at Ipswich                     |
| 4L91     | 09:04          | Wembley       | Felixstowe     | MO               | Class 90s detached Ipswich                       |
| 4L95     | 23:23          | Garston       | Felixstowe     | M-S              | 90 on Basford Hall / Off Ipswich                 |
| 4K83     | 12:23          | Garston       | Basford Hall   | SO               | Occasionally hauled by a diesel with 90s in DITL |

#### **Miscellaneous Southbound Intermodals:**

The list of trains shown below are sometimes hauled by a Freightliner class 90, therefore should be used as a guide (more often than not they are diesel hauled). In addition, there are also light engine movements using 90s, which have NOT been listed.
