[Sunday 5th January](#)

The first two services from Norwich to London will be revised. Please see link for more details.

Saturday 11th January

Due to the part closure of the GEML between Ipswich and London, an hourly shuttle service shall be in operation today between Norwich and Ipswich only. Rail replacement buses between Ipswich and Marks Tey.

Sunday 12th January

Due to the part closure of the GEML between Ipswich and London, an hourly shuttle service shall be in operation today between Norwich and Ipswich only. Rail replacement buses between Ipswich and Marks Tey.

Saturday 25th January

A shuttle service shall operate today between Norwich and Ingatestone/Shenfield only. Buses replace trains serving Newbury Park where passengers can change for Central Line.

Sunday 26th January

A shuttle service shall operate today between Norwich and Ingatestone/Shenfield only. Buses replace trains serving Newbury Park where passengers can change for Central Line.

There was nothing else to report on for Greater Anglia during the month of December 2019 and January 2020. The reported alterations above were correct at the time of writing.

FREIGHTLINER

December 2019 changes:

Electric Freightliner services will be affected by engineering works taking place on the GEML between 27th and 31st December 2019. Trains will be diverted via alternative routes. There were no other alterations to report on at the time of writing.

January 2020 changes:

The GEML will be shut for engineering work on selected dates during January, which will mean diversions via Peterborough. The dates are:

1st, 5th, 11th, 12th, 25th and 26th.

There were no other alterations to report on at the time of writing.

DB CARGO

There were no alterations to report on at the time of writing for December 2019 or January 2020, but this situation can and does change at very short notice.
