

# Engineering Work Alterations

---

March 2022

Updated 13/3/22

---

## FREIGHTLINER

The reported alterations below focus on corridors which are operated by class 90s for Freightliner.

### General alterations:

This month looks set to be a quiet one for service alterations.

### GEML / East Anglia:

There were no planned closures of the route for March affected by engineering work. This was the state of play at the time of going to press.

### WCML / Scotland / Midlands / NW England:

There were no planned closures of the route for March affected by engineering work. This was the state of play at the time of going to press.

---

## DB CARGO

No alterations to report on at the time of writing.
