90002 worked her first revenue earning train today for locomotive services. The 90 was firstly dragged dead on the rear of 5Z90 from Crewe HS to Euston. Upon arrival at Euston, 90002 then worked 1Z90 back to Crewe HS with a short rake of stock.

It is not known if this was a dummy charter run or had fare paying passengers onboard in light of the northbound run operating as a class 1 service. The class 90 had been renamed by the private operator "Wolf of Badenoch".

In addition, 90001 continued to be stopped at Crewe this week by LSL.
