

# Engineering Work Alterations

---

November 2021

Updated 24/10/21

---

## **FREIGHTLINER**

The reported alterations below focus on corridors which are operated by class 90s for Freightliner.

### **General alterations:**

Nothing to report.

### **GEML / East Anglia:**

There was no other major engineering work to report on for the region at the time of writing other than the route via Stowmarket towards Ely will be shut for the best part of November for High Ballast cleaning.

### **WCML / Scotland / Midlands / NW England:**

There was no other major engineering work to report on for the region at the time of writing.

---

## **DB CARGO**

There was no major engineering work to report on at the time of writing for the WCML during November.
