

Engineering Work Alterations

October 2020

Updated 4/10/20

FREIGHTLINER

The reported alterations below focus on routes which are operated by electric loco's (this could include class 90s).

GEML / East Anglia:

- Saturday 17th October – the GEML will be shut all day between Manningtree and Witham, diversions via Ely and Peterborough.
- Sunday 18th October – the GEML will be shut all day south of Manningtree, diversions via Ely and Peterborough.
- Saturday 24th October – the GEML will be shut all day between Marks Tey and Manningtree, diversions via Ely and Peterborough.
- Sunday 25th October – the GEML will be shut all day between Marks Tey and Manningtree, diversions via Ely and Peterborough

WCML / Scotland / NW England:

At the time of writing, I did not identify any other obvious engineering work, but this circumstance can change at short notice, so please check back for any updates.

DB CARGO

At the time of writing, I did not identify any other obvious engineering work on the WCML, which might impact on possible intermodals worked by class 90 traction during October. However, this circumstance can change at short notice, so please check back for any updates.
