**Long-term Stored DB Class 90s**

- 90027, 90033 and 90038 transferred from Crewe IEMD to a scrap merchant site in Middlewich/Sandbach by road in readiness for being disposed off following a long period of being stored at Crewe IEMD. They joined 90033 which had been moved there the day before.

Unfortunately, I am unable to verify the concise day that 90027, 90033 or 90038 moved, reports suggest it was today. However, they definitely moved during this week though 😞

Aside from those mentioned above, the rest of the long-term stored fleet were being prepped for disposal too.
